

## X (CBSE) Test Series (2025-26)

### Board Examination 2026- Part Syllabus Exam Series'26

Sr No	Date	Science	Maths	Duration	Marks	Integration Concept
1	09-Nov	Chemical Reactions & Equations; Life Processes (Nutrition, Respiration)	Real Numbers; Polynomials; Linear Equations in Two Variables	3 Hrs	80	Algebraic equations linked to reaction balancing and rate calculations
2	16-Nov	Acids, Bases & Salts; Metals & Non-Metals; Carbon & Its Compounds	Quadratic Equations; Arithmetic Progression	3 Hrs	80	Chemical Reactions and algebraic series patterning (AP and quadratic parallels)
3	23-Nov	Light - Reflection & Refraction; Human Eye & Colourful World; Control & Coordination	Triangles; Coordinate Geometry (Intro); Constructions (Basic)	3 Hrs	80	Light ray diagrams with coordinate geometry and geometric constructions
4	30-Nov	Electricity; Magnetic Effects of Electric Current	Statistics; Surface Areas & Volumes	3 Hrs	80	Electric data analysis with statistics and volumetric reasoning
5	07-Dec	How do Organisms Reproduce?; Heredity & Evolution; Our Environment	Circles; Areas related to Circles; Basic Trigonometry (Heights & Distances)	3 Hrs	80	Genetics, heredity patterns connected with circular & trigonometric models
6	14-Dec	Full Revision: Chemistry, Physics, Biology Integration (All major concepts)	Trigonometry (Heights & Distances); Coordinate Geometry (Full Revision)	3 Hrs	80	Comprehensive integration simulating board exam pattern across all domains

Note :

- 1) Contact Programs and doubts will be conducted for interested students.
- 2) The schedule of Full syllabus (2 Sets of All subjects ) series will be announced in due course of time.
