Welcome to Neev Foundation

“Geniuses are Nurtured.
Not Born.”

Consistent Selection in IIT's & MBBS

Welcome to Neev. We realize that this is a time of excitement, hopefulness for a better future, and a commitment to pursue your dream to become a successful engineer or Doctor from reputed institutes of India. In the 20 years of our existence, the institution has risen beyond all the expectations and the volumes and quality of results have proved the success of its goal. The growth in number of students enrollment in classroom coaching as well as selections in various top examinations created a new ray of hope among the parents fraternity.

Our classroom & live online programs are counted as one of the best and we have expanded our wings in field like Live Classes, Online Testing & Distance Learning Programs, so that more and more students can take benefit of our experience in the field of competitive examination arena.

At Neev we provide quality education, personal care and lots of competition to its students, which develops right examination temperament and students becomes capable of taking the challenges of future with competence.

Vision

Exemplify Excellence
in Education.

Mission

Amazing Performance
with consistent Practice
and Persistence.

Values

Commitment
Dedication
Ethical Behavior
Innovation
Integrity
Leadership
Respect
Mutual Trust

WHY NEEV FOUNDATION ?

Classes by most experienced and trained teachers to tackle the examinations of Olympiads, IIT-JEE (Mains + Advanced)/NEET

Comprehensive study material of Physics, Chemistry, Maths and Biology for Class V to XII
